H	3	a	Medical													
H	3	b	Paramedical													
H	3	c	Managerial/Administrative													
H	3	d	Others													
I			Infrastructure & Equipment													
I	1	1	Infrastructure & Equipment	Total	Functional/Operational											
I	1	a	Generator													
I	1	b	Computers													
P			Performance Indicator	Previous year total	Number in the month											
P	1		OPD - New													
P	2		OPD - Old													
P	3		BPL Patients for investigation													
P	4		IPD													
P	5		BPL Patients in IPD													
P	6		Bed occupancy rate													
P	7		Pathology													
P	8		Minor surgery													
P	9		Plasters													
P	10		Female Sterlization													
P	11		Male sterlisation													
P	12		New Ante Natel Care Registration													
P	13		Normal Delivery													
P	14		Live Births													
P	15		Tuberculosis - Sputum test conducted													
P	16		Tuberculosis - New sputum positive cases detected													
P	17		Tuberculosis cases completing full course													
P	18		Leprosy - new cases													
P	19		Leprosy patients completing full course													

V	1	Immunisation achievement	Cumulative	Achievement											
			target												
V	1	DPT													
V	2	BCG													
V	3	Measles													
V	4	TT													
V	5	OPV													
V	6	JE													
V	7	Hepatitis B													
E	1	New cases of following diseases	Previous	Number in the month											
			year total												
E	1	Malaria													
E	2	Filaria													
E	3	Dengu													
E	4	JE													
E	5	AES													
E	6	Enteric fever													
E	7	Acute Diarrhoeal Diseases													
E	8	Measles													
E	9	Chicken Pox													
E	10	Hepatitis B													
E	11	HIV+													
E	2	Deaths due to following diseases	Previous	Number in the month											
			year total												
E	1	Malaria													
E	2	Filaria													
E	3	Dengu													
E	4	JE													
E	5	AES													
E	6	Enteric fever													
E	7	Acute Diarrhoeal Diseases													
E	8	Measles													
E	9	Chicken Pox													
E	10	Hepatitis B													
E	11	HIV+													
E	12	Maternal Deaths													
E	13	No. of Maternal Deaths Review													
E	14	Due to other causes													
D		Drugs & medicines	Previous	Number in the month											
			year total												
D	1	Indents made as per Rate Contract													
D	2	Indent made as per rate contract against which supply not received													
D	3	No of drugs/medicines of EDL stock out													
D	4	Total no. of drugs discarded due to expiry
